

INFINITY ENERGY RESOURCES TO PRESENT AT EURO PACIFIC CAPITAL GLOBAL INVESTMENT CONFERENCE IN NEW YORK CITY ON SEPTEMBER 10, 2013

OVERLAND PARK, KANSAS (September 3, 2013) – Infinity Energy Resources, Inc. (OTCQB: IFNY), an independent oil and gas exploration and development company, today announced that it will be presenting at the **Euro Pacific Capital Global Investment Conference 2013** on September 10, 2013. The conference will be held at the Sofitel Hotel, which is located at 45 West 44th Street in New York City.

The presentation by Stanton Ross, Chief Executive Officer of Infinity, is scheduled for 4:30 p.m. Eastern Time.

Euro Pacific Capital's third annual Global Investment Conference has assembled a group of senior executives from global companies in the transportation and resource sectors who will offer insights into their own firms, as well as analysis from Euro Pacific on trends in their respective industries. This year's event includes firms with market caps ranging from \$15 million to \$4 billion in the mining, transportation and energy sectors. Countries represented include, but are not limited to, Australia, Canada, Greece, Peru, The United Kingdom and the U.S.

Investors interested in conducting one-on-one meetings with Infinity Energy Resources should contact David Kratochvil at Euro Pacific Capital at 203-662-9700 (Ext. 145) or Christa Johnson at Infinity Energy Resources at 913-948-9512.

About The Euro Pacific Global Investment Conference

The Euro Pacific Global Investment Conference is an annual symposium in New York City that seeks to unite emerging international public companies in the resource and transportation sectors with U.S.-based institutional investors. The conference is organized by Euro Pacific Capital, a Connecticut-based registered investment advisor and broker-dealer that specializes in resource and emerging market investments. The firm is led by internationally-regarded author and economist Peter Schiff, who is known for his bullish views on emerging market economies. More information on the conference is available at www.europac.net/investment_conferences.

About Infinity Energy Resources, Inc.

Infinity Energy Resources, Inc.'s operations consist of exploration and development activities associated with oil and gas concessions covering approximately 1.4 million acres offshore Nicaragua in the Caribbean Sea. The Company's concessions are located adjacent to Noble Energy's 1.8 million-acre offshore concessions, where drilling activities have recently commenced.

Infinity is headquartered in Overland Park, Kansas and its common stock is currently traded on the OTCQB under the symbol "IFNY". The Company's financial statements

and additional information are available on the Internet at www.sec.gov or www.ifnyoil.com.
